St. Joseph's Newsletter

Issue 006 - 22 October 2018

I can't believe we are already in the last week of the half term. There have been so many successes to celebrate in such a short period of time. I hope that you and your family have a wonderful holiday and some well earned rest. I would also like to thank the team of staff here for all of their hard work and dedication. I wish them a restful holiday. I'm sure they will return with lots of new and exciting lessons for your children. Thank you for your support!

Parent Governor Appointment

We are currently looking to appoint a new parent governor. If you would be interested in joining the school's governing body please feel free to make an appointment to speak to me and I will be able to give you more information about the post. The role of parent governor is really important in ensuring we get a good balance of views and input to guarantee the best possible education for the children of St. Joseph's. If you are interested in applying forms can be collected from the school office and must be returned by Monday 5th November at the latest.

Building Work

The remainder of the work on the school entrance is due to be completed over the half term break., This will include a wider pedestrian gate which I am sure we will all welcome. It will also mean a wider pathway to and from the playground which again I hope will help you and your children.
