St. Joseph's Newsletter

Issue 026 - 30 April 2018

Last week, as Mr Brandon took the weekly celebration assembly, I sat at the back of the hall and watched the children. I was so proud of the way they not only sat in assembly and listened but also how genuinely happy they were to see other people receive rewards. It really is an excellent quality for children to have.

As well as this I was pleased to see children displaying this half term's values 'generous and grateful'. Children received their rewards with such joy and used excellent manners as they did so.

Finally I am pleased to say that we are now using the new school entrance. Can I ask that you still only visit reception if you need to and continue to send money in envelopes with your children as this really helps the office staff.

PTFA Fundraising

Congratulations to the PTFA on another successful Movie Night and Cake Sale. All of the money raised will be used to help the school create a new library area in the old reception of the school.

The PTFA would like to remind you that you can register on the easyfundraising page to raise school funds from your weekly shopping. More information on how to do this can be found on the PTFA Facebook page.

We are also very fortunate to be one of the chosen projects that you can vote for in Tesco with the blue coins from 1st May to 30th June. Please share this message with all your family and friends as the project with the most blue coins will win more money for their fund.

Football and Netball Matches

Congratulations to the football and netball team for winning their matches against St. Joseph's Hednesford. The football team won 3-0 and the netball 10-7. Also congratulations to the football team for competing in the Cannock and Rugeley school's final on Tuesday. They played some excellent football. We are proud of all of your hard work and commitment. Well done!
